

## **Rebel Youth Football**

### **Players' Code of Conduct**

***I hereby pledge to be positive about my youth sports experience and accept responsibility for my participation by following this Players' Code of Conduct Pledge.***

- I will have fun during my football experience and alert parents or coaches if it stops being fun.
- Be a good sport no matter what the outcome of the game is; be honest, fair, and always show good sportsmanship to all coaches, players, officials, parents, and spectators by being an “ACE” at every game, practice, and within my community.
- I will do my best in school and understand that school will always come before sports.
- Learn the value of commitment to the team. I will attend every practice and game that I can and understand that an unexcused absence may result in reduced playing time.
- Put personal goals aside for the betterment of the team.
- Show courtesy and respect to teammates, opponents, coaches, officials, and members of my community.
- Realize that athletic contests, including practice sessions, are educational experiences and opportunities.
- I will never purposely engage in an act to physically hurt another person.
- I will not engage in unsportsmanlike conduct.
- I will not engage in rude behavior.
- I will treat everyone, including coaches, parents, players, officials, and members of our community with respect, regardless of race, age, gender identity, color, disability, national origin, religious preference, or any other protected characteristic.

### **Defining an “ACE”**

An ACE is an individual that consistently displays a positive attitude, high moral character and tremendous effort on the field and in the community. Their actions exemplify the core values of sportsmanship and servant leadership essential to promoting a team-first environment.
