

Dear Rebel Youth Football Supporters,

We are in the process of gathering sponsorships from generous and supportive local businesses to be featured in our Fall 2018 Horlick Rebel Football Media Guide. This full-color guide is sold at all Varsity football games and is issued to all Horlick staff members. Your business advertisement will be seen by thousands of people and will help support Rebel Youth Football. This gift supports our football program's commitment to the youth in our community through involvement in athletic programs. Your valued support will contribute to our ability to provide a first-class experience for kids in our community to participate in something greater than themselves. We strive to teach our kids the value of hard work, dependability, trust, teamwork, and high moral character! The young men we serve are the leaders of tomorrow. We take our job very seriously as coaches and mentors for these young men, and we sincerely appreciate your support! As a new program with many needs and goals, your support helps ensure our kids have safe equipment and a memorable sporting experience. Thank you for your help!

Pricing for Ads in our Media Guide are as follows:
